

Erratum

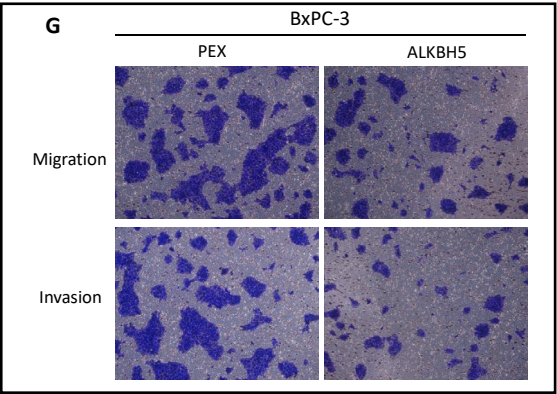

In the original article by He, et al., entitled „ALKBH5 Inhibits Pancreatic Cancer Motility by Decreasing Long Non-Coding RNA KCNK15-AS1 Methylation“ [Cell Physiol Biochem 2018;48(2):838-846, DOI: 10.1159/000491915], Figures 2, 4 and 5 contain misplaced subfigures (2D, 4G and 5G).

The authors confirm that all of the results and conclusions of the article remain unchanged, as well as the figure legends. The correct subfigures 2D, 4G and 5G as well as their respective figure legends are displayed below. The authors sincerely apologize for this mistake.

**Fig. 2.** (D) KCNK15-AS1 inhibits MIA-PaCa-2 migration and invasion (200 × magnification).

**Fig. 4.** (G) ALKBH5 inhibits cell migration and invasion in BxPC-3 cells (200 × magnification).

**Fig. 5.** (G) Knocking down ALKBH5 promotes cell migration and invasion in BxPC-3 cells (200 × magnification).
