

## Erratum

---

In the original article by Yu, et al., entitled „KU70 Inhibition Impairs Both Non-Homologous End Joining and Homologous Recombination DANN Damage Repair Through SHP-1 Induced Dephosphorylation of SIRT1 in Adult T-Cell Leukemia-Lymphoma Cells“ [Cell Physiol Biochem 2018;49:2111-2123, DOI: 10.1159/000493815], the cell line name of Jurkat cells has been erroneously written as „Adult T-Cell Leukemia-Lymphoma (ATL)“.

The correct name should be: „T-Cell Acute Lymphoblastic Leukemia (T-ALL)“.

The authors confirm that all of the results and conclusions of the article remain unchanged and sincerely apologize for this error.
