

Erratum

In the original article by Lin, et al., entitled “MTHFD2 Overexpression Predicts Poor Prognosis in Renal Cell Carcinoma and is Associated with Cell Proliferation and Vimentin-Modulated Migration and Invasion” [Cell Physiol Biochem 2018;51:991-1000, DOI:10.1159/000495402], there has been a spelling mistake in the equal contribution statement at the bottom of the title page. The corrected statement is reproduced below.

The authors sincerely apologize for this error.

“H. Lin, B. Huang and H. Wang contributed equally to this work.”
