

## Erratum

---

In the original article by Clark et al., entitled “Protein-DNA Interactions at the Opossum Npt2a Promoter are Dependent upon NHERF-1” [Cell Physiol Biochem 2016;39(1):1-12, DOI: 10.1159/000445601], the authors would like to acknowledge the contribution of Dr. Khundmiri to the manuscript and amend the authorship acknowledgements by issuing the following statement:

„B. J. Clark, E. D. Lederer and S. J. Khundmiri contributed equally to this work and should therefore be considered co-senior authors.“
