

Retraction Statement

The authors of the article

Pan BL, Tong ZW, Wu L, Pan L, Li JE, Huang YG, Li SD, Du SX, Li XD, entitled
"Effects of MicroRNA-206 on Osteosarcoma Cell Proliferation, Apoptosis, Migration and
Invasion by Targeting ANXA2 Through the AKT Signaling Pathway"
[Cell Physiol Biochem 2018;45(4):1410-1422, DOI:10.1159/000487567]

have requested retraction on the following basis:

Recently, they found that some of the results of WB and apoptosis experiments in this paper may have some errors, and some experimental results need to be verified by their team again. They apologize for the possible laxity of their paper. Therefore, they apply to retract the paper to avoid adverse effects and misleading other researchers.
