

Retraction Statement

The authors of the article

Wu G, Zhou W, Pan X, Sun Y, Xu H, Shi P, Li J, Gao L, Tian X entitled
"miR-100 Reverses Cisplatin Resistance in Breast Cancer by Suppressing HAX-1"
[Cell Physiol Biochem 2018;47(5):2077-2087, DOI: 10.1159/000491476]

have requested retraction on the following basis:

Because other agencies have partly contributed data to this article, there is also a risk for data fraud in this article. After collecting more new data and materials through recent experiments, the authors cannot guarantee the uniqueness of their data anymore and have decided to retract the manuscript due to scientific rigor. The authors would like to apologize for the troubles brought to readers and colleagues.
