

## Retraction Statement

---

The article entitled

“MiR-1-3p Suppresses the Proliferation, Invasion and Migration of Bladder Cancer Cells by Up-Regulating SFRP1 Expression”

[Cell Physiol Biochem 2017;41:1179–1188. DOI: 10.1159/000464379]

by Anquan Shang, Man Yang, Fujun Shen, Jun Wang, Jun Wei, Wenying Lu, Weiwei Wang, Chunbin Wang and Chunlei Wang

has been retracted by the current and former Publishers and Editors.

Following publication, concerns were raised regarding the data presented in Figures 2 and 3. When contacted, the authors stated they used a third party to complete the experiments in these figures and have not had access to the original data underlying these results.

The results presented in the article, therefore, cannot be checked and the article has been retracted. The authors agree with the retraction.
