

Retraction Statement

The article

'Knockdown of Long Non-Coding RNA XIST Inhibited Doxorubicin Resistance in Colorectal Cancer by Upregulation of miR-124 and Downregulation of SGK1'

[Cell Physiol Biochem 2018;51:113-128. DOI: 10.1159/000495168]

by Jia Zhu, Rui Zhang, Dongxiang Yang, Jibin Li, Xiaofei Yan, Keer Jin, Wenya Li, Xin Liu, Jianfeng Zhao, Wen Shang, and Tao Yu

has been retracted by the former and current Publishers and the Editor.

Following publication, concerns were raised regarding the data presented in Figures 2I, 2J, 4E, and 4F. The authors contacted the journal and stated that the original data for the figures in concern had been lost and can not be checked to address the concerns raised. The authors stated that their institution has requested that the article be retracted.
