

Retraction Statement

The article

“Reduction of Uterine Perfusion Pressure Induced Redistribution of Endothelin Receptor Type-B Between the Intima and Media Contributes to the Pathogenesis of Pregnancy-Induced Hypertension”

[Cell Physiol Biochem 2017;44:1715–1725. DOI: 10.1159/000485777]

by Yuan Sun, Xicheng Zhang, Zhaolei Chen, Miao Xu and Minghui Ou

has been retracted by the current and former Publisher and the Editor.

Following publication, concerns were raised about image duplication within Figure 2. When asked to comment, the corresponding author stated that the data underlying this figure has been lost. As the concerns raised can not be addressed or resolved, the reliability of the findings presented in the article can not be guaranteed and the article is being retracted.

The authors agree with this retraction.
