

Retraction Statement

The article

“MiR-125b Inhibits LPS-Induced Inflammatory Injury via Targeting MIP-1 α in Chondrogenic Cell ATDC5”

[Cell Physiol Biochem 2018;45:2305-2316. DOI: 10.1159/000488178]

by Jinling Jia, Jingyu Wang, Junlei Zhang, Mingxing Cui, Xiaohui Sun, Qingjiang Li and Bin Zhao

has been retracted by the current and former Publishers and the Editor.

In 2020, concerns were raised about the integrity of the data presented in the article. Following an investigation by the journal into the concerns, an Expression of Concern was published:

<https://doi.org/10.33594/000000425>

Recently, the results of an investigation by the authors' institution were published, details can be found here:

<https://www.xmu.edu.cn/kjc/info/1016/2427.htm>

The published results of the investigation indicate that evidence of misconduct was identified within the article. The authors' institution did not respond to our request to provide more detail about the results of the investigation and the authors did not respond to our request to comment on the results of the investigation within the specified timeframe.

The authors did not respond to our correspondence about the retraction of this article.
