

Retraction Statement

The authors of the article

Gu J, Wang Y, Wang X, Zhou D, Wang X, Zhou M, He Z, entitled
"Effect of the LncRNA GAS5-MiR-23a-ATG3 Axis in Regulating Autophagy in Patients with
Breast Cancer"

[Cell Physiol Biochem 2018;48(1):194-207, DOI:10.1159/000491718]

have requested retraction on the following basis:

Due to their negligence, there are problems in the typesetting of the pictures, and the experiment is not rigorous enough. At present, more rigorous and larger sample size experiments are being carried out to ensure the scientific nature of the research. In order to not mislead the readers, they are retracting their manuscript.
