

Retraction Statement

The authors of the article

Li Q, Xing W, Gong X, Wang Y, entitled
"Long Non-Coding RNA Urothelial Carcinoma Associated 1 Promotes Proliferation,
Migration and Invasion of Osteosarcoma Cells by Regulating microRNA-182"
[Cell Physiol Biochem 2018;51(3):1149-1163, DOI: 10.1159/000495493]

have requested retraction on the following basis:

In response to the issues that have been raised against this article concerning its validity, the authors have constantly checked and evaluated its data, and eventually have no way to confirm the accuracy of the data and the conclusions of the article. Therefore, the authors have to retract the article and apologize to the editors and readers of the journal.
